- **Installation via app/code:** Upload the content of the module to your root folder. This will not overwrite the existing Magento folder or files, only the new contents will be added. After the successful upload of the package, run below commands on Magento 2 root directory.

```
php bin/magento setup:upgrade
php bin/magento setup:di:compile
php bin/magento setup:static-content:deploy
```

- **Installation via Composer:** Please follow the guide provided in the below link to complete the installation via composer.

<https://docs.scommerce-mage.com/magento-2-extensions/installation-via-composer/installation-via-composer>

| <input type="checkbox"/> | ID | Affiliate Customer ID | Affiliate Customer Email | Affiliate Customer Name | Total Number of Orders | Total Sales Amount | Total Commissions Pending | Total Commissions Paid | Action                      |
|--------------------------|----|-----------------------|--------------------------|-------------------------|------------------------|--------------------|---------------------------|------------------------|-----------------------------|
| <input type="checkbox"/> | 1  | 52                    | test.aff1@yopmail.com    | test aff1               | 2                      | 133.95             | 13.39                     | 0.00                   | <a href="#">Make Payout</a> |

# Referred Orders Overview (Admin)

- Examine which orders were generated by each affiliate from the dashboard.

- View and validate predicted commissions, manage disputes or issues.

## Payout Management

- View a list of affiliates eligible for payouts:
  - Payouts are only due for orders with approved statuses (e.g., Complete, Shipped).
  - Set **minimum payout threshold** and **payout schedule** (weekly, monthly, manual).
- **Payout Processing:**
  - Select payout method (Bank Transfer or PayPal).
  - Mark payouts as “Paid” –affiliate’s balance resets to 0.
  - All payouts and payment history are tracked for each affiliate.
  - Affiliates receive email notification templates you configure.
- **Refunds and Cancelations:**
  - If an order is refunded or canceled after commission has been paid, commission is deducted or reversed automatically.

| Total Commissions paid for this customer *  | <input type="text" value="0.00"/>                  |

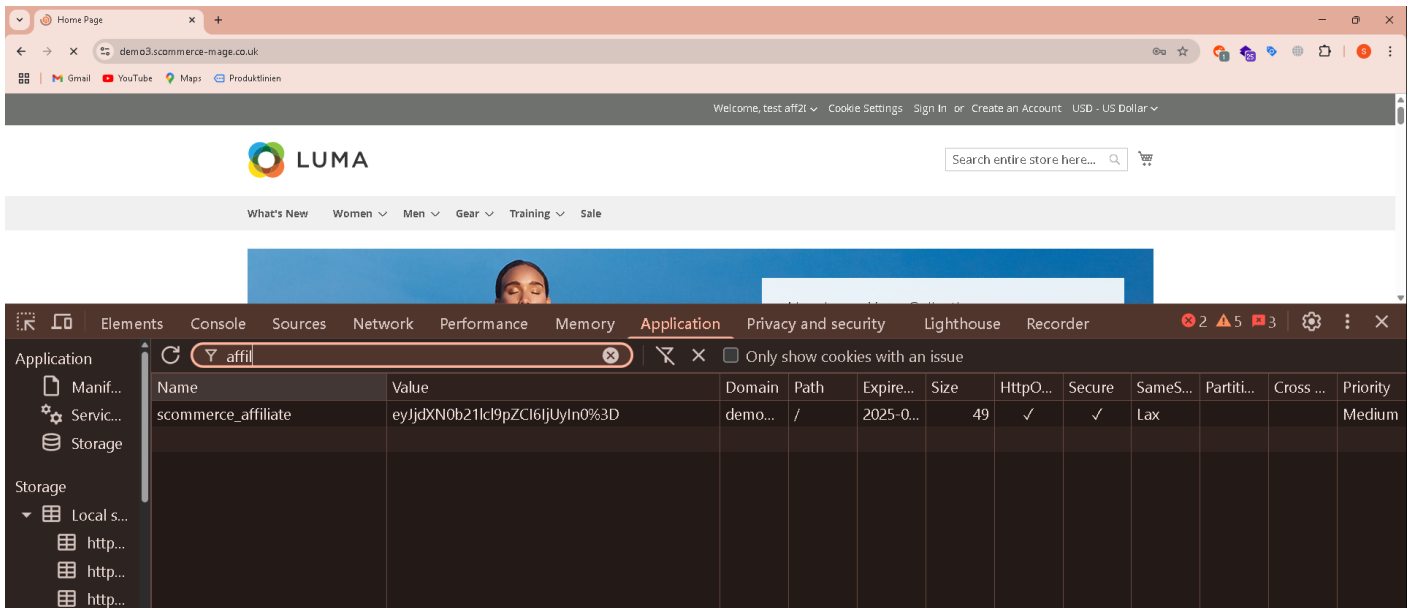

## Multi-tier Commission Structure

- Enable/Disable tiered commission system from **Affiliate Settings**.
- Configure slabs and rates, e.g.:
  - £1–£999.99: 10% commission
  - £1,000–£1,999.99: 15% commission
  - £2,000+: 20% commission

## Order & Affiliate Tracking

### How Order Attribution Works

- When a prospect clicks your referral link:
  - A browser cookie stores your affiliate ID for 30 days.
- Any purchase in that period is attributed to you.
- After 30 days or if no link is used, no commission is awarded.

## Cookie Lifecycle

- **Creation:** On link click.
- **Active period:** 30 days from last click.
- **Expiry:** After 30 days.
